

VL100

The Ultimate Countertop Solution

Explore the VL100, the ultimate countertop solution, featuring a user-friendly display and advanced technology to improve the customer experience.

User-friendly and Intuitive Experience

Enjoy a user-friendly experience with a spacious touch-screen display on our intuitive interface with digital signature capture feature with print, SMS, or email receipt options. The VL100 offers effortless bill splitting functionality tailored to group payments to enhance convenience.

Secure and Convenient Contactless Payments

Embrace the future of payments through cutting-edge EMV card technology, offering swipe, tap, and dip card payment options along with EBT-enabled devices, catering to a wide range of customers' needs.

Advanced Technological Expertise

Utilize cutting-edge technology for flexible transaction processing with dual merchant IDs (MIDs), uninterrupted service with the auto-connection failback procedure, and enhanced ethernet and Wi-Fi options, ensuring secure and reliable services.

SMS & Email Marketing Opportunities

Increase customer loyalty with our Engage My Customer™ via personalized SMS and email campaigns, enhancing brand awareness. Utilize our integrated feedback rating system for insights to refine services and elevate customer satisfaction.
