

VL300

The **Trusted Pin Pad** Payment Solution

Effortlessly accept payments with the VL300, a seamless, reliable solution for growing businesses.

User-friendly and Intuitive Experience

Enjoy a user-friendly experience with a spacious touchscreen display on our intuitive interface. The VL300 offers enhanced visibility in dimly lit environments with backlit keys, providing a user-friendly experience.

Enhanced Payment Security

Provide your customers heightened security features with our enhanced pin pad technology, providing an extra layer of protection during the PIN entry process. The PCI-PTS 6.0 ensures customer security.

Customer Feedback & Satisfaction

Utilize our integrated built-in customer feedback rating system for insights to refine services and increase customer satisfaction. Elevate your service excellence, one feedback survey at a time.

Secure and Convenient Contactless Payments

Embrace the future of payments with advanced EMV technology, ensuring utmost security for transactions. Choose from swipe, tap, and dip card payment options, accompanied by a secure digital signature capture feature, making payments safe and convenient.

Features

Large Scale 3.5" Touchscreen Display

Backlit Keys

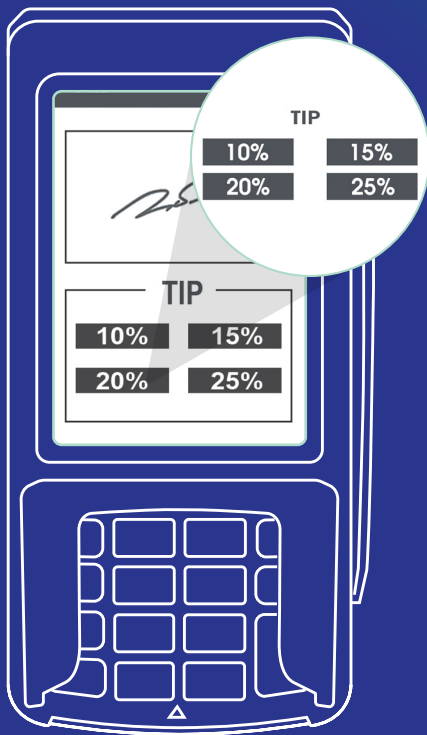

EMV

Digital Signature Capture

PCI-PTS 6.0 Certified Pin Pad

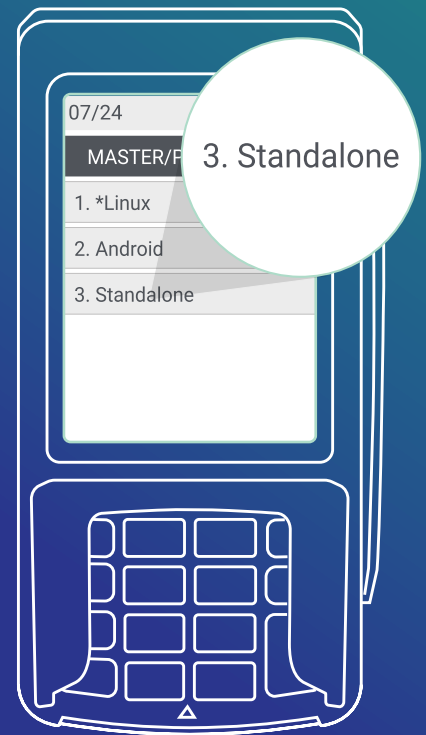

Smart Tipping

Suggests tip amounts automatically based on the bill, making checkout faster and tipping easier for customers — while helping merchants boost tip totals effortlessly.

Valor Portal & Engage My Customer

Deliver instant promotions and digital receipts that drive engagement, collect feedback, and keep your customers connected.

Standalone Capabilities

Complete payments, manage menus, and run promotions — all from one powerful, independent device.
